

C&L Transit Solutions LLC

MEDICAL COURIER & HEALTHCARE LOGISTICS

CAPABILITY STATEMENT

Dependable delivery of specimens, pharmaceuticals, and sensitive healthcare documents.

BUILT FOR HEALTHCARE DELIVERY NEEDS

C&L Transit Solutions LLC supports hospitals, clinics, laboratories, and healthcare partners with scheduled, recurring, and on-demand courier service. Our focused team serves the Dallas-Fort Worth area, Louisiana, and Oklahoma with direct communication and attention to handling requirements.

CORE CAPABILITIES

Specimen transport

Scheduled and time-sensitive pickup and delivery for laboratory specimens.

Pharmaceutical delivery

Healthcare-focused transport for medications and pharmacy materials.

Healthcare documents

HIPAA-conscious courier service for medical records and sensitive documents.

Flexible route support

Recurring routes, scheduled pickups, and on-demand delivery coordination.

WHY WORK WITH C&L TRANSIT SOLUTIONS LLC

- A two-person operating team provides direct communication without call-center handoffs.
- Healthcare-specific training supports careful handling of protected information and bloodborne pathogen risks.
- A GMC Yukon supports local and regional routes across the stated service area.
- Service discussions can be tailored to route frequency, pickup windows, delivery urgency, and handling requirements.
